

The Ministry of the Michigan Association of Regular Baptist Churches

The Michigan Association of Regular Baptist Churches came into existence on a state level in 1942 for the purpose of providing a medium of cooperation and fellowship among independent, fundamental, Baptist Churches of like faith in order to propagate and promote the Gospel of Jesus Christ. We presently have 205 churches and we emphasize the fact that we are a "fellowship" and each local congregation is autonomous in its own affairs and decision-making.

Our churches meet together on a state level once a year at our Annual Bible Conference. On the local level we have six regional fellowships that meet quarterly in their respective areas. These Fellowships are identified as the Western, Eastern, Southern, Northern, Central and Grand Rapids Association of Regular Baptist Churches. MARBC Ministries include a Talents For Christ competition, Bible Knowledge Quiz Program and Annual Men's Retreats. Several State Bible camps minister to the spiritual and physical needs of children, youth, adults and families.

The State Representative serves as a resource person for pastors and churches, speaking in some 40-50 churches each year. He is available for pulpit supply and Bible conference ministry and assists pastors and churches desiring to affiliate with our Fellowship.

The MARBC Council of Fifteen consists of nine members at large elected to three year terms from the fellowshipping churches and one representative from each of the area associations. This election takes place at the annual meeting. They assist in planning the annual conference and are available and most willing to help those who have need of biblical guidance.

Our MARBC is financially supported through the following avenues of giving: regular church support (approximately half of our churches have us on their budget), State Representative's ministry honorariums, annual conference offerings and church gifts, and special gifts from time to time from interested individuals.

Our state paper, The Baptist Testimony, is published monthly with a circulation of 8,500. Churches are encouraged to send news regularly and order enough copies to place in their Sunday bulletins. We invite you to pray for the ministry of the MARBC and our State Representative. Thank you very much.

WELCOME TO THE 66TH ANNUAL M.A.R.B.C. STATE CONFERENCE

In these challenging days of ministry and the difficult economic times in our state, wise choices regarding participation in events outside of your local church ministry are important. With this in mind, we have planned the annual conference to be one of great encouragement to you and of great benefit to your ministry.

This year's conference is being held at the facilities of First Baptist Church in Rochester Hills, Michigan. We extend to you our special invitation to join us for this significant and meaningful time for our network of churches in Michigan, as well as the attendance of guests from other like-minded ministries in our state.

The annual conference provides an opportunity for Biblical instruction relating to timely topics, ministry encouragement, and special fellowship for our MARBC family. Your participation at the conference is critically important for the viability of our fellowship as well as for your own connection with the exciting ministry opportunities that Christ is providing through our partnership.

The conference features the preaching and teaching ministry of two capable and effective servants of Christ. Dr. Jim Jeffery, *President of Baptist Bible College and Seminary*, brings to us a background of effective ministry as a pastor and competent leadership experience in Christian ministry. Pastor Randy Gilmore, *Senior Pastor of Hamilton Hills Baptist Church in Fishers, Indiana*, is being used of God not only in pastoral ministry but also in the realm of church conflict and crisis management.

A special feature of this year's conference is a panel discussion planned for Monday afternoon which will focus on "Leadership Issues in Ministry." On Tuesday morning, Ken will be leading an interactive session, similar to last year's conference, which will feature updates on MARBC ministries including exciting reports regarding the "CPR Initiatives" that have taken place this year. Any business items will also be cared for during this session.

A Season of Prayer will be held at the start of the Tuesday morning sessions. Last year's prayer times were a wonderful blessing. You are heartily encouraged to participate with us in this special time of prayer fellowship.

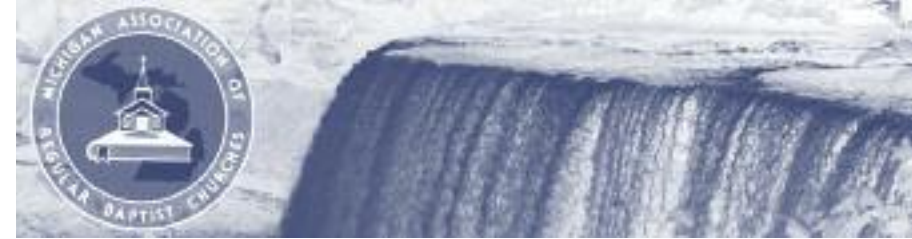

We are grateful for the ministry of our host church, First Baptist, who will provide nursery care and children's sessions (Kindergarten-6th grade) during the main sessions of the conference.

This year's conference has been designed to instruct, encourage, enrich, and invigorate. We encourage every friend of the MARBC to be in attendance!

Partnering with you and praying for you,
Ken and Sharon Floyd
